

From January 17th through 22nd, 2013, International Conference on Science and Buddhism will hold in Drepung Loseling Monastery. His Holiness the Dalai Lama will lead the Conference. Representatives from western scientists and Tibetan Buddhist scholars will attend the Conference. Geshe Lobsang Wangdu, Acting Abbot of Sera Jey Monastic University, Geshe Nyima Tashi, Geshe Lobsang Ngodup and 50 Sera Jey monks will attend the conference. The Conference is jointly organized by Mind Life, ETSI and Library of Tibetan Works and Archives.
